Concise Statement of Facts/Complaint: * (This section must be completed. Attach additional information to this page if necessary.)

I am protesting the proposed rate increase from TCWS (Tega Cay Water Service) This company states that they need additional funds to help in maintaining the equipment, additional testing, etc. An overall 66% rate hike is absurd. This company was granted a rate hike in 2010. Currently I have 2 people living in my home. I do not water my grass, I do 3 loads of laundry weekly and my water bill runs about \$ 70 to \$ 75 a month. This runs higher than my gas bill this past winter. I do not feel this company should be granted a rate increase placing hardship and additional burden on the people of Tega Cay simply because they do not know how to manage their business. Any company which has equipment must maintain it and plan ahead for it. I am a realtor, if I need to purchase a new vehicle to do my business, I do not get to charge that vehicle to my clients. I must plan ahead, as must they.

Deny TCWS the 66% rate increase they have requested!
